

# DA 200

## DUCT PROTECTION FILM / WRAP

US Duct Adhesives DA200 is a polyethylene film coated with an aggressive adhesive designed to prevent outside debris from entering and contaminating ductwork prior to the to jobsite installation. DA200 is an excellent alternative to adhering polyethelene film to duct walls with tape.

### Features and Benefits

- Prevents need for tape
- Easy to apply and remove
- No adhesive residue
- 0 VOC's
- Meets LEED requirements
- Multiple colors available
- Strong adhesive
- Indoor / Outdoor
- Resists tearing
- Corporate logo can be printed on film
