

Dyna-CHAIN™

Dyna-Chain from Duro Dyne is a Zinc Plated Double Loop 2/0 chain. This is a steel constructed economical utility chain. It has a 255 lb working load limit ideal for hanging lightweight equipment and lighting. Often used by contractors as a theft deterrent for locking ladders and job boxes, the applications are virtually endless!

It is sold in a convenient bucket to make use on the job site easier, with a scored top for easing opening and built in loop to keep track of the end of the chain.

- Sold 300 ft per pail
- Cut Dyna-Chain with Duro Dyne Cable Cutter
- Applications: Industrial, Mechanical, Residential, Commercial, and Electrical

Easy cut lid

Loop inside lid keeps end of chain from getting lost

Applications:
Industrial
Mechanical
Residential
Commercial
Electrical
